

# Survival Strategies for Small Business Owners

FREE Workshop with tips on how to protect your business  
and be ready for economic recovery

October 7, 2009 at the Greater Tacoma Convention & Trade Center | 2:00 – 4:00 pm  
1500 Broadway, Tacoma

## What you will learn:

- **Keys to success in any economic times**
  - Eric Hahn, Vice President, General Plastics Manufacturing Co.
- **Keep your “A-Team” together / Prepare to staff up fast for the recovery**
  - Bonnie Jackson, Chief Executive Officer, CJC HR & Business Liaisons, LLC
- **Workplace safety and profitability are partners**
  - Herb Maxey, CSP, ALCM, Senior Loss Control Consultant, Farmers Insurance Group

### Other workshop benefits include:

- Resources to help your business succeed
- Free admission to major workplace safety trade show

This timely workshop taught by industry professionals will give you tools you can use to keep your business strong during the downturn and be ready to ride the economic recovery to success.

The event is sponsored by the public-private advisory board that hosts the Governor’s Industrial Safety & Health Conference – one of the biggest events of its kind in the nation. The advisory board is supported by the state Department of Labor & Industries and seeks to provide business owners convenient access to business resources and training—without fear of reproach.

Business owners/managers who attend the workshop are invited-- at no charge-- to tour the safety and health trade show that accompanies the conference.

The conference will also feature drop-in assistance at the Small Business Resource Center, where business owners can get connected to a local business advisor and get answers about workplace safety, workers’ compensation, professional licensing, unemployment insurance, hiring practices, and business taxes.
